

ACT

**ACTION
COUNTERS
TERRORISM**

**You can play your part
in helping to tackle the
terrorist threat facing
the UK.**

The police and the security and intelligence agencies depend on information from you. Be our eyes and ears and help keep yourself, your family and your local community safe by looking out for suspicious activity and reporting it to the police, in confidence.

If you have any information about suspicious activity or behaviour, you can report it in confidence, either by calling the police or making an online report.

**Call the police confidentially on 0800 789 321
