

### **Reduced VAT rate now includes motorhomes and campervans**

The HMRC updated its [VAT guidance for hotels and holiday accommodation](#) to cover a broader range of eligible accommodation types, including motorhomes.

This means that the temporary reduced VAT rate will now be available for those BVRLA members who provide holiday accommodation in the form of a motorhome or campervan.

The BVRLA policy team had been lobbying government to make the case for the inclusion of motorhomes, as the original VAT exemption, announced on 8 July, covered static caravans but did not explicitly include motorhomes and campervans.

BVRLA Senior Policy Adviser, Thomas McLennan said: “This will benefit dozens of BVRLA members who provide motorhomes and campervans, so we are delighted that HMRC listened to our calls and made the right decision to support this vital part of the tourism sector.”

### **Local lockdown regulations published**

[Draft regulations outlining new powers](#) that central government could deploy in areas under local lockdown have been published.

These draft regulations have not come into force yet, but provide a toolkit of ‘off the shelf’ measures that could be used in the future, as local outbreaks are identified.

If used, they could provide Ministers with the flexibility to intervene if more wide-ranging action is needed to help control the spread of the virus beyond a local or regional level.
